HOW TO USE FACE PAINT SET:

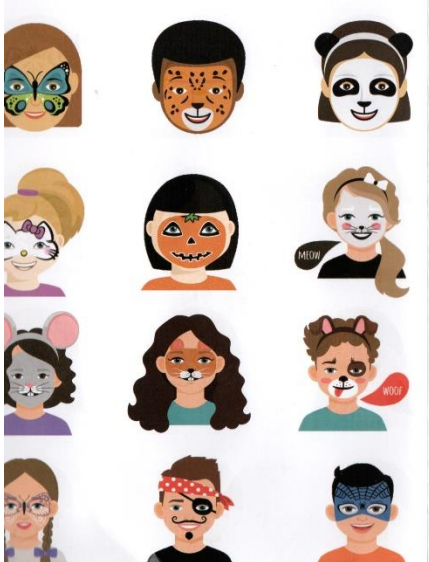

1. Firstly Clean your face.
2. Moisten the sponge for large areas or applying brush for small and detailed parts with water, and mix it over the surface of the color into a rich spreadable and ensure consistency step on smoothly. It keeps a thin film better with water to the paint case, that would be more convenient.
3. Create any paint for your endless imaginations or reference templates. You'll find they are easy on and will dry in minutes.
4. On bold and pigmented colors make your parents know about it, WE DON'T WASH after dry on.
5. Simply wash off with soap and water.
6. Clean off without dry stains.

- ### WARM TIPS
1. Use skin patches first before application.
 2. Don't apply to broken or selected skin.
 3. This face paint kit should be activated by water and suitable for every kid or adult with delicate skin, we are using only cosmetic grade makeup ingredients which are vegan, non-toxic, hypoallergenic and paraben free. Talc free, fragrance free.
 4. Not recommend to use on the kids under 3 years old.
